INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

WASHINGTON, D. C.

Lillie C. Eastep

May 1, 1907.

SIR:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. 8555 for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

If you have children of age who have not filed applications, they should apply at once to this Office for an application blank, which will be forwarded without charge.

Sir:-

Replying to your letter of April 17, 1907, relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you are advised that none of these applications have been taken up for final consideration, and this Office cannot state just when this fund will be paid, or the amount each successful claimant will receive.

Sir:-

Replying to your letter of September 2, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Dear Sir:

Your letter of May 21st, 1907, relative to the Eastern Cherokee enrollment is at hand, and you are advised that you should fill out the supplemental application blank which has been forwarded to you.

Unless your case is complicated this office does not consider it necessary for you to employ an attorney, but that question you will have to decide for yourself.

We have not yet taken up your claim for final consideration. If, when this is done, it is found that any further testimony from you is necessary you will be notified. It is noted, however, that you claim through Ned Sizemore, and so far we have been unable to find that Ned Sizemore was ever enrolled with the Eastern Cherokees, but we have made no final investigation into this matter.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office at once as to what relationship, if any, you bear to the Sizemore family, who claim through Ned Sizemore, commonly called "Old Ned Sizemore".

Do you claim farther back than Winnie Ivery, your grandmother?

Why was not your mother, Susan Adams, enrolled on the Eastern Cherokee roll of 1851, and why was not your grandmother, Winnie Ivery, enrolled on the Eastern Cherokee roll of 1851 and the Cherokee roll of 1835?

Please give this matter prompt attention and refer in your reply to the number of your application.

Dear Sir:

Your letter of June 28th, addressed to Mr. Chester Howe, has been referred to me for reply. I wish to advise you that Mr. Howe died October 1, 1908, and I am the surviving partner engaged in closing out the firm business.

I wish to say that we went into the Sizemore claim very fully and have had a number of conferences with Mr. Miller in regard to the matter. We were under the impression sometime ago that the Sizemore claimants would be denied. The record is very voluminous and there would seem to be very good ground for the Commissioner's decision. We felt that our efforts could be of real value to you while the Commissioner had this particular line of claims under consideration. Now that the Commissioner has decided the proposition is somewhat definite, as you will readily see, and the chances are extremely remote in my opinion of having the matter decided definitely by the Court.

You will understand that exceptions in these cases will require a great deal of office work. I cannot afford to undergo this expense without some compensation, therefore I suggested a nominal charge in each case, or head of family. I am willing to contribute my services but I am not justified in keeping up an office force for the purpose of fighting these claims to the bitter end, except in a very few cases in which the outcome is scarcely in doubt.

Trusting that this will advise you fully in the matter,

Very truly yours,

W. W. Wright

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

Sir:

Replying to your request for a blank application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you are advised that under the order of the Court of April 29, 1907, all applications were required to be filed on or before August 31, 1907.

It is therefore now too late to file applications except on behalf of minor children, persons of unsound mind, or persons under some other legal disability.

Very respectfully,

GUION MILLER,

Special Commissioner.

William H. Blevins being first duly sworn deposes and says:

I am 67 years of age. I live in Washington County, Va., I reckon. I have lived in Virginia about 15 years. I was born in Ashe County, N.C. and lived there until 15 years ago, with the exception of the time of the War, when I served in the War on the side of the Confederacy. I claim through my father, Armstrong Blevins who lived and died in Ashe County, N.C. I think he was born there. He was 66 when he died. He was the son of Lydia Blevins. I do not know whether Lydia Blevins lived and died in Alleghany or Ashe County, N.C. I think it was Alleghany then. I suppose she died before I was born. Lydia Sizemore (Blevins) was a daughter of Ned Sizemore, Sr. According to proof made before me in 1888 and ~~1895~~ 1896 as a Justice of the Peace of Ashe County, N.C., he was a full-blood Cherokee Indian. As a boy my father used to tell me that he was an Indian. The object of the proof referred to was for land and money supposed to be due the Cherokees and Sizemores in the Indian Territory. The proof taken in 1888 was sent to one J. W. Mullens, of Grand View, Ark. He was an attorney employed by us to press these claims in the Indian Territory. I never saw the proof after that. I had it transferred to A. E. Ivey, of Tahlequah, I.T., another attorney. I heard that Mr. Ivey died, leaving it in his office, but I do not know this to be so. The proof was to be present to the Cherokee council for our rights in the Indian Territory, but I do not know whether it was ever acted on or not. The proof taken in 1896 was from a number of old men, and was about the same line of testimony taken in 1888. John Baldwin, J. W. Perkins, took it to put before the Cherokee council, but I do not know whether it was ever acted on or not. I do not know whether it was put before the council and the Dawes Commission or not, but I have heard it was. If Mr. Baldwin swore that it was put before the Dawes Commission, I believe that he did. I never heard, officially from the Dawes Commission that the claims were allowed or rejected. I never received anything from it. I never heard that my father ever received any money from the Government on account of his Indian blood. I never received anything from the Government on account of my Indian blood. I never heard whether Lydia Blevins ever received any money from the Government on account of her Indian blood. Most of my information in regard to my Indian blood came principally from my father until this proof was taken. My father spoke of it often, and spoke of his uncles, Owen, George and Ned, and his aunts Catharine Mart, Sallie Osborne, and his Aunt Sookay Stanger, and one he called Dollie, who may have been the same as Catharine. I saw his Uncle George Sizemore when I was probably ten years old, and heard him preach. This was in Ashe County, N.C. He was a son of Old Ned Sizemore. He went to what was called the State of Virginia before I heard him preach, and then came back. I do not know where he died, but have been informed that he died in West Virginia. I remember him well. He was tall, straight, wore his hair cut off around his shoulders, xxxxxxxxxxxx and had some gray

Copy.

streaks in it. He passed as a White man and Indian, and claimed to be part Indian. He was the first man I ever heard make a prayer. They always told me that he and his brothers and sisters were related to the Cherokee Indians. I do not know whether he was an ordained preacher or not. I have never heard that Owen Sizemore was a preacher, although I have heard that Hiram was a preacher. I have never seen any but George. I never heard that Old Ned was a preacher. I heard my father say that Old Ned Sizemore lived in what is now Alleghany County N.C. but was then Ashe County at the time I was born. I think he was dead before I was ten years old, but I do not know where he died. I have heard of Dr. Johnny Sizemore from others, but not my father. I have heard that old man Ned Sizemore's father was John Sizemore, and he lived in Stokes County, N.C., and had a son, Dr. Johnny Gourd Sizemore, who was a brother of Old Ned. That he also had a daughter by the name of Patricia. John Sizemore should have had eight children, and can only name two besides Old Ned. I do not know who Patricia married. Ned Sizemore, Jr., was a son of Old Ned. I do not recollect ever hearing tell of George Sizemore ever having a son Ned. I remember one Elisha Blevins, who said that Old Ned Sizemore came from the Catawba river, or the Catawba Reservation, as he called it. Elisha Blevins has been dead some time. Wesley Blevins also testified in 1896 to the same effect. Stephen Hart made affidavit before me also, while I was Justice of the Peace, but I do not remember that he said where he came from. If there was any reservation there at all, I do not know anything about it only from the testimony. I saw the affidavit of William A. Lewis, of Fort Gibson, I.T., but he did not swear to where Ned Sizemore came from that I recollect. He said that he was well acquainted with the family, and that he knew Catharine and Lydia and Owen, and that Ned Sizemore was a full-blood Indian, and he supposed lived and died in Ashe County. William A. Lewis went from Ashe County to the Indian Territory, as I understand it, in 1851, and died I suppose in the Indian Territory. He claimed to be part Indian.

I never heard that any of the Sizemores ever received any money from the Government on account of their Indian blood. If they did, I think I should have known it--that since I was old enough to recollect. I was not enrolled on the census of Eastern Cherokee Indians in 1885, and never heard of it before. I was not enrolled in 1851 by the Government. I did not receive any of the money paid in 1851, and none of the Sizemore family did that I know of. I have heard my father and his brothers talk something about the enrollment of 1851. They were afraid of enrollment--were afraid they would be carried to the Territory and scattered on that account. I do not think my father was enrolled in 1835, or any of the Sizemores that I know anything of. They were afraid of enrollment. I do not know anything about the removal of the Cherokees only what I have read and heard my father say, but I think it was about 1835. He was afraid that if he was enrolled as late as 1851, he would be forced to go to the Territory. I know that there are a number of Eastern Cherokee Indians in western North Carolina now who were enrolled in 1835 and 1851, and received money, but were not forced to go West.

The word "Chief" in my application means that I am chief of the White Top Band of Cherokee Indians, an organization of the principal Cherokee Indians living about White Top, and was perfected about ten years ago. We organized so as to demand our rights in a body. We thought we had not been getting them before.

In 1896, we wanted to go to Indian Territory, and organized for that purpose. When the band was first organized there were about 2175, I believe. They were all Sizemore descendants. No one else was allowed to become a member if it was known. I have read the Decree of the Supreme Court of the United States referred to in my application, and have it at home. My father, Armstrong Blevins, I do not think was a party to the treaty of 1836 and 1846. ~~I am putting my own interpretation on the decree.~~ ~~Elisha Blevins~~ ~~who gave me testimony in 1888 and 1896 before me—~~ Elisha Blevins was not a party to the treaty of 1835 and 1836 and did not claim to be an Indian at all. I suppose Wells Blevins was living in 1835 and 1836. He lived in Ashe County, N.C. I do not know that he was a party to the Treaty of 1835-6. I do not know that any of the descendants of the Sizemores, or Old Ned himself ever live with the Cherokee Indians. I have had an affidavit before me from Mr. Wagoner that Ned Sizemore visited the Cherokee Indians. The Cherokee Indians never visited them often since I can recollect. I have seen some Cherokee Indians who claimed to be. I saw one regiment in time of War. I have seen very few living here who claimed to be Cherokee Indians except the Sizemores and the descendants of the Sizemores. I have heard of Ned Hart, who lived in Ashe County, N.C. I did not understand that he was a Cherokee Indian, but he married a Cherokee Indian, and, as I understand it, the Cherokee blood ~~the~~ of the Harts came through Catharine Sizemore. The ~~Cherokee~~ White Top Band of Cherokee Indians, of which I am chief, has applied ~~for~~ to share in this fund so far as I know.

Subscribed and sworn to before me at Marion, Va., this 11th day of April, 1908.

Dear Sir:-

In reply to your favor of September 9th. I have made a careful examination of the claims of the so called White Top band of Cherokees, who claim through Ned Sizenore, and I am convinced that there is no chance to succeed.

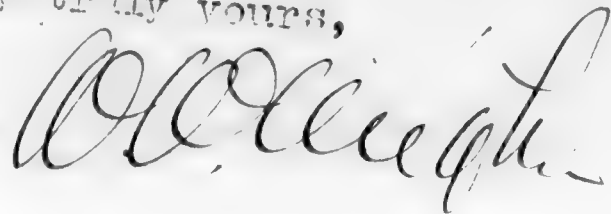

I base my opinion upon the fact that a great deal of testimony has already been taken in the case, and I assume that it is impossible to further strengthen the case through any further testimony.

I am writing this letter because I wished to make an investigation before advising you definitely.

I consider that the contract which you say has been entered into, is entirely cancelled and you are at liberty to employ other counsel.

Trusting that this letter will fully advise you in the matter,

Very truly yours,

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

Sir:

Replying to your letter of recent date relative to the Eastern Cherokee enrollment, you are advised that since filing my report of May 28, 1909, with the Court of Claims, the matter has passed entirely beyond my control.

My report sets forth why, in my opinion, the claims admitted should be admitted and those rejected should be rejected. The matter now rests with the Court and the only way that my decision can be reviewed is by filing exceptions in accordance with the order of the Court of June 10, 1909.

No blank forms will be furnished for the filing of these exceptions.

Under the order of the Court of Claims of April 29, 1907, it was necessary for claimants to file an application prior to August 31, 1907, and to prove that they were Eastern Cherokee Indians by blood, descended from Indians who were recognized parties to the Treaties of 1835-8, and 1846, and to further prove that they were not Old Settler Cherokees, and that they, or their immediate ancestors, had not since the Treaty of 1846 affiliated with any tribe or band of Indians other than the Cherokee Nation.

The application about which inquiry is made in your letter was rejected because the claimant failed to bring himself within these requirements.

Very respectfully,

GUION MILLER,
Special Commissioner.

The list of those recommended by me to be added to the roll has not yet been printed, and will not be until it has been approved by the Court.

Franklin L. Lewis,
Roanoke, La.

Sir:-

Relative to your application No. 8592 for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, in answer to the query, "By what right do you claim to share?", you state, "By Cherokee Indian blood through my wife, Margaret A. Lewis whose maiden name was M. A. Blovins, etc". You are advised that unless you yourself were a duly recognized Cherokee Indian, a descendant of Cherokee Indians, parties to the treaties of 1835-6 and 1846, you would not be entitled to participate in this fund.

It appears, however, from the supplemental application for your minor children, which you have executed, you claim for your "wife and children". You are advised that unless your wife is an imbecile or physically or mentally incapable of having made her own application, she should have applied in her own right before the 31st day of August, 1917. Please advise this office why your wife has failed to make application to participate in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

That I am 51 years of age. I live at Erick, Okla. I claim my Indian descent through my father; my mother was a white woman. My wife is a white woman. My father claimed through his father. His mother was a white woman. My father was born in Georgia about 1826. He lived in Peyton County, Ga. until 1836 and then he moved to West Tennessee (Henry Co.) where he lived until 1870 and then he moved to Texas. My grandfather was with my father in his moving until he got to Tenn. where he died in 1867. My father and grandfather had no other name than that of Bowles. My father was 1/8 Cherokee. My father lived with the Indians as a member of the tribe, and so did my grandfather. I am recognized in the community as part Cherokee. I never lived with the Indians myself. William Bowles, Alexander Bowles and Charles Bowles were brothers of my father. Mary (married ~~James~~ Raspberry); Haseltine (married Bishop); Julia Ann (married Jackson) - were sisters of my father. My grandfather was enrolled, I think, about 1830. I have heard my grandfather say this. If he was ever on any other roll, I never heard of it. When the Indians were moved from Ga. to Miss., my father and grandfather moved to Tenn. That was in 1836. My name is sometimes spelled Boles. My father and grandfather could speak the Cherokee language. Neither my father nor grandfather lived with the Indians ~~as~~ after they went to Tennessee. I never made application to the Dawes Commission. My grandfather was supposed to have drawn fifty acres but he never got it. It was allotted to him there in Peyton Co., Ga., but he never used it.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office through whom you claim your Eastern Cherokee blood. You state in your application that your grandmother, Hazeltine Bishop, was part Cherokee Indian; state whether or not she was living in 1851 and why was she not enrolled with the Eastern Cherokees in that year?

Were your grandparents on your mother's side living in 1851; if so, where were they living and why were they never enrolled on any Eastern Cherokee enrollment?

You state that your grandmother's name was Bowles; what was her given name?

Was your mother ever held as a slave; if so, you will aid us in making disposition of your claim by giving the names of the people who owned her; if she was a slave, also state whether she was owned by white people or Indians.

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

State of North Carolina
County of Swain

Personally appeared before me Nancy Pigmeat or Coo tak yih a full blood Cherokee indian and a member of the Eastern Band of Cherokee Indians in North Carolina, and after being duly sworn said in answer to questions propounded by Frank B. Churchill U.S. Indian Inspector: My age is about 45 years my post office address is Birdtown in the County of Swain North Carolina. I never saw Belva A. Lockwood so far as I know. I never appointed Belva A. Lockwood as my attorney and never knowing it to be such signed any paper promising to give Belva A. Lockwood any money or Commission for any service performed or to be performed in my behalf. I know of no reason why I should have an attorney to secure any rights or benefits due me by virtue of my being a full blood Cherokee indian, as my status as an indian has never been questioned so far as I know, or ever heard.

App. No. 8601

January 4, 1908.

Jesse Crow,

Robbinsville, North Carolina /

Sir:

You state in your application for right to share in the distribution of the Eastern Cherokee Fund that your father and mother were both Cherokees and that they were living in 1851 in Swain County, North Carolina. If they were living at that time, as you state, why were they not enrolled on the Eastern Cherokee Enrollment of 1851? Were they known by other names than those given in your application? Did they have Indian names? If so, furnish us with those names.

It is impossible to connect you with the Eastern Cherokees without knowing the names of your grandparents on your father's side; also state the name of your grandmother on your mother's side.

Why was not Jim Maney, your grandfather, enrolled on the Eastern Cherokee Enrollment of 1851?

Any other information on the subject of your family will be appreciated.

Were any of your people held as slaves; if so, were they owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

HMK/WEA

Special Commissioner.

Jesse Crow, being first duly sworn, deposes and says:

That I am 16 years of age. I live in Robbinsville, N. C. I claim my Indian descent through my father. My mother was a white woman. My mother was alive the last time I heard of her. My father said to be Sevier Crow. My mother was living at Yellow Hill, N. C. the last I heard from her. My mother and Sevier Crow were never married. My mother is now married to Loyd Smith, and goes by that name. My father's ~~father's~~ parents were Crow. I don't know their first names. I never saw my father. The only information that I have that Sevier Crow was my father is that my father said so. I never heard that Sevier Crow ever said that I was his son. Anne and John Ropetwister brought me up and raised me. I last saw my mother seven years ago. My mother told Anne Ropetwister that Sevier Crow was my father when I was a young child. I don't know whether Sevier Crow had any brothers and sisters. I don't know of anyone who knows of Sevier Crow recognizing me as his son. I talk Cherokee. I don't know how I am recognized in the community in which I live. I have attended the white school. About seven years ago I attended school at Swain county, I attended the Indian school there for about two years. White children did not attend the Indian School when I was there.

Armstrong Cornsilk, being first duly sworn, in behalf of Jesse Crow, #8601, deposes and says, through Lewis H. Smith, duly sworn and qualified as an interpreter:

That I am 66 years of age. I live in Graham county, N. C., and I am a full blood Cherokee Indian. What I know about Jesse Crow is that I got a letter from the Indian census man asking me about the parentage of Jesse Crow, as he said that Jesse had been writing him (Churchill) saying that he was an Indian, and that letter was very dim and I could hardly make it out and I wrote back that I did not think that Jesse Crow was an Indian--that he was a white boy as he went to the white schools, and that Anne Ropetwister, who was raising him, came up here before the Commissioner and had herself appointed as his guardian and had him admitted to the white school. Churchill then wrote me that Jack Carver, who is a white man, was the father of Jesse Crow, and Jesse's mother reported to Churchill that Jack Carver was his father. I knew Sevier Crow slightly. It is supposed that West Crow is the father of Sevier Crow, and his mother was a ~~white woman~~ white woman. I don't know her name. I have always heard until I got that letter from Churchill that Bob King, who is a white man, was the father of Jesse Crow, and then I heard that Jack Carver was the father of Jesse Crow.

Callie Anderson,

Liolog, Georgia.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office where your mother was living in 1851.

Do you claim Eastern Cherokee descent through others of your family than your mother? Why was she not enrolled on the Eastern Cherokee Enrollment of 1851?

Where did your grandparents, James and Sarah Newman, reside in 1851 and why were they not enrolled on Eastern Cherokee Enrollment of that date?

Was your mother ever held as a slave; if so, was she owned by white people or Indians?

Please give this matter prompt attention and refer to the number of your application in your reply.

Very respectfully,

Special Commissioner.

App. #8608 & 14898

January 21, 1908.

Elizabeth Reece,

Roy, Ga.

Madam:-

You have on file in this office applications #8608 and #14898, in which you state that you were born May 12, 1839, in Lumpkin County, Georgia, and base your right to participate in this fund through your father, James Newman, whom you state was a quarter-blood Cherokee Indian, and through your grandfather, William Newman, whom you state was a half-breed Cherokee Indian.

I beg to advise that the name of neither James nor William Newman appears upon the roll of 1835 or 1851. Do you know why the said William Newman, and James Newman, your father, were not enrolled in 1835 with the Eastern Cherokee Indians in Georgia?

Who was your full-blood Indian ancestor? Was the said full-blood Indian ancestor the mother of your grandfather, William Newman, or was said ancestor on the paternal side of your grandfather's family. If the said full-blood Indian ancestor was a man, was his wife a White woman or a Negress? Was the wife of your grandfather, William Newman, a White woman, Indian or Negress? To what race did your mother belong? Were you or your parents ever held as slaves by either the Cherokee Indians or by White people?

E.R.

-2-

Why were you not enrolled in 1851 with the Eastern Cherokee Indians, as you state you were born in Lumpkin County, Georgia, but you do not state where you were residing in 1851.

Please furnish this office with any information you may have regarding your parents on either your father's or mother's side.

Respectfully,

Special Commissioner.
